7. [] LIAISON Received a call from Carol Week, House Permanent Select Committee on Intelligence staff, who wanted to know, on behalf of Tom Latimer, Staff Director, why the Committee had not received the Current Intelligence Weekly Review for the last couple of weeks. After checking with NFAC/CSS, I told her that the publication had been discontinued.

8. [] LIAISON Received a call from Carolyn Huey, in the office of Senator Richard G. Lugar (R., Ind.), who wanted to recommend for employment a person who is a resident alien. I told her that I believed the Agency's policy is to hire only U.S. citizens for staff employment, but that I would check and call her back.

9. [] LIAISON Called Matthew Cossolotto, in the office of Representative Leon E. Panetta (D., Calif.), and told him we were ready to bring some classified papers on the PRC's and the USSR's military foreign language programs to the Congressman for him to read. Cossolotto said he would check the Congressman's schedule for a convenient time. This is in response to an earlier request for this information in connection with a report Mr. Panetta is doing for the President's Commission on Foreign Language and International Studies.

10. [] LIAISON Len Parkinson, Senator Dale L. Bumpers' (D., Ark.) representative on the Senate Appropriations Committee, called and requested a meeting with Mr. Frederick P. Hitz, Legislative Counsel, and himself later on this week to discuss the Agency's budget for the next fiscal year. We will try to set something up for Friday, 8 December.

[]

12. [] LIAISON Burton Hitchcock, on the staff of Senator Robert Dole (R., Kan.), called requesting unclassified information on the subject of Soviet strategic weapons. He said he was preparing a chart for the Senator. [] CSS/NFAC, returned Hitchcock's call and provided him with the information he wanted.
